SPECIAL LIVE EVENTS IN SOUTH AFRICA

#FRO16 is a free virtual conference designed to help social impact organisations of every size and type to benefit from technological change.

Last year 3,000 people around the world signed up for Fundraising Online, 244 of which were from South Africa.

This year, we want to help even more social impact organisations in South Africa access this amazing event, so we're holding two one-day events that you can attend in either Cape Town or Johannesburg.

We'll be showing a selection of curated #FRO16 sessions on big screens followed by live Q&A with some of our great speakers. Plus there'll be snacks and time for networking!

12 MAY – CAPE TOWN

8:30am – 3:30pm – Nedbank Private Wealth Auditorium, V&A Waterfront

Limited to 200 places
